

About the APNIC Foundation

Duncan Macintosh
Foundation CEO

28 February 2022

The APNIC Foundation

MISSION

To increase investment in Internet development in the Asia Pacific region, through education and training, human capacity building, community development, research, and related projects and activities

VISION

To have a global, open, stable and secure Internet that is affordable and accessible to the entire Asia Pacific community

How the Foundation Works

┌ We support these activities ───────────┐

┌ To strengthen these communities ───┐

┌──────────┐ To achieve these goals ─┐
