

Regulation & Policy

APIX29

Introductions

- Brief intro from each of the panellists
 - who do you represent?
 - how big is your organisation?
 - how many IXPs do you operate?
 - how long has your organisation been around?

Licensing

- Are you required to acquire a license or any kind of registration?
 - What are the licensing/registration conditions?
 - What are the licensing/registration fees?

Regulatory Incentives

- Are there any regulatory incentives offered to IXPs?

Consultation

- Have there been any regulatory or policy consultations inviting IXPs?

Regulatory Barriers

- What are some regulatory or policy barriers that affect your IX operations?

In closing
