About Us

Maharlika IX is a proudly Filipino-built internet exchange, designed to make connectivity more affordable and accessible across the Philippines.

Focused on delivering cost-effective solutions, we serve content to underrepresented providers and aim to bring our internet exchange directly to customer networks.

Guided by the principles of *makabayan* and *makamasa*, Maharlika IX is committed to empowering the nation through better digital access for all.

- Philippine-based
- Established in June 2023
- Neutral Internet Exchange
